

Déja Vu 1977

Déjà Vu

WIDNEY HIGH SCHOOL-1977

déjà, *adv.* 1. Already. 2. Before, previously.
Je vous ai d. vu, I have seen you before.
 3. Ça n'est déjà pas si mal, indeed it is not
 at all bad (for a start).

DEDICATION

Brad (Pie) Pierce

De'ja Vu' is dedicated to former Widney student Brad Pie. In his senior year he was elected student body president, most likely to succeed, friendliest & most spirited.

All of these things are true! Brad is the kind of person who never seems to feel 'down' or bored. He's too busy helping someone. If you ever need someone to talk to, you can always go to Brad, he will listen & help you have a better understanding of your problem & yourself.

Brad has a beautiful outlook on life. He has so much love for people, when you are with him, you can feel this love all around him.

Widney depends on Brad for many things, & he never lets us down.

His other major interest is in music. He says that if he weren't working at Widney he would be becoming a singing star. He has played with a lot of big-name bands.

But for the students at Widney he is already a star!

Thank you, Brad Pie for caring about us & for sharing your love with us.

When Brad starts to sing everybody stops and listens

Brad in his senior year

Two people out of many that know Brad is very special
